

EL110 ALUMINUM GLASS GATES

EL5 WOOD GATE

Specifications, Optional Features and Accessories

EL110 Aluminum Glass Gates have a unique look for today's more contemporary-styled homes. Crisp lines and sleek design formed from durable corrosion-resistant aluminum frames and light-filtering glass make a striking complement to your home. The EL110 Aluminum Glass Gate come in an array of panel configurations with the ability to customize by choosing from 4 standard colors and many glass options.

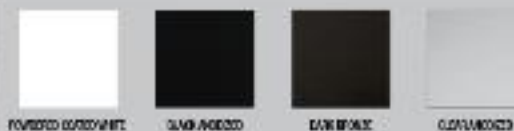

EL5 Wood Gates seamlessly enhances the beauty of your home while adding security. Endless design options, limited only to your imagination and created from nearly any species of wood you select such as Mahogany, Cedar or Alder give our gates a true customizable finish. Hand crafted by experienced master craftsman, the EL5 Wood Gates are designed with quality to last and never compromising integrity.

Elegant Gates are designed to match your new or existing glass or wood garage doors and come in 3 operation types; Pedestrian, Swing or Sliding.
